

PRAYER

"Praying with Others"

INTRODUCTION

Have you ever had a really bad day then someone did something nice for you? How did that make you feel? (*Allow responses.*) It makes you feel a lot better when someone encourages you or thinks of something nice to do for you, doesn't it?

Slide 1

One way you can encourage others is by praying with them.

PRAYING WITH OTHERS

You can pray with each other anytime and anywhere. This is one of the best ways God's people can encourage each other. Maybe you have a friend who is having a bad day. You can stop and pray with him. If he doesn't already know Jesus as his Savior, hearing you pray for him may make him want to know Jesus.

PRAYER

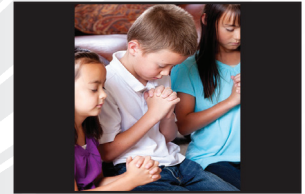

I'm going to pray for all of you in just a minute. If you have something you would like someone to pray for, you can talk to one of the teachers after club. He or she will pray with you right then. (*Pray for the children.*)

Preschool Welcome Activity "Follow the Leader"

Do an action and have the children follow you. Then you can allow the children to be the leaders and determine what action will be done.

Materials
Prayer visual
